Award Laboratories - France

Counts:

May'08 Hotline – 9,230

The Award Laboratories list contains the names and addresses of individuals who have purchased products in categories such as health, cosmetic, travel, and other items. All messages have sweepstakes included so customers like to win money. For this reason, there is a high affinity for gambling, contests, and lottery.

Due to a wide range of products offered by this list owner, we recommend this list to specialized dispatchers as well as catalogue dispatchers, sweepstakes, contests, astrology, and lotteries. This file will work excellently for esoteric or lottery/sweepstakes mailings offering a prize, big winnings, or a gift of a special kind.
